What a kick ass show with a great lineup of bands. I think it is safe to say that a good time was had by all and everyone got their moneys worth in support of a good cause.

This night was proof that live music still lives in Ottawa.

Thanks to TJ, and the rest of the organizers of the night. Also thanks go out to the Brickstone establishment for hosting.

Special thanks to Brent, the sound tech that generously donated his time and gear to the night. Great job dude!

And most of all, thanks to everyone that came out to support us. I can honestly say without an ounce of bullshit that you were the best crowd I have ever played for. Thanks for the memories!!!

Chris
